Mitsubishi Motors to Support Humanitarian Crisis in Ukraine

Tokyo, March 24, 2022 – To support the activities that provide humanitarian aid to the affected populations in Ukraine and in the neighboring countries, Mitsubishi Motors Corporation (hereafter, Mitsubishi Motors) will make a financial donation of one million Euros to UNHCR, the Office of the United Nations High Commissioner for Refugees.

Mitsubishi Motors expects that this contribution will help to address the humanitarian crisis in the region, where its national sales companies and their colleagues are already taking action to support.

Mitsubishi Motors sincerely hopes that peace and security will be restored in Ukraine as soon as possible.
